INTERVIEW SUSPECT:

On 03/08/06 at approximately 1740 hours, I made contact with TIMOTHY ATWOOD, in reference to this incident. I questioned ATWOOD about why he was hanging around the Grant Primary Center. ATWOOD advised that he was out in the roadway by the school, and was not doing anything wrong. I asked him what he was doing at the school, and he said that he was just looking. I asked if he was taking pictures of his granddaughter. He stated, "I was just looking, is that a crime." I advised ATWOOD that he was not to have contact with his granddaughter, and that he has been warned before. He stated that he was never told that he couldn't have contact with his granddaughter. I advised him that if he continued stalking his granddaughter, I would get a warrant for his arrest.
