

Dear Dad & Mom.

Hi, it's your daughter. I don't know if you care to know how I'm doing or not. But if you do care I'm doing good. I have a place in White Cloud. It's a cute place.

What happen in the past I put that on the ~~tee~~ lords hands he will do what he will do. I will forgive you because you are my parents but trust I'm not sure about that.

I sent a Christmas card you should be getting it soon. I will wait to see if I hear back from you.

Mom happy Birthday.

I still love  
you and miss  
you in my life.

Love,  
Erica
